

## **The Monitoring and Prevention of COVID-19 Committee's Announcement on Extension of Campus Closure until 30 April 2020 (Issue 3)**

.....

With reference to the Monitoring and Prevention of COVID-19 Committee's Announcement on Campus Closure from March 22 until April 12, 2020 (Issue 2), dated March 21, 2020, since the government has declared a nationwide State of Emergency on March 25, 2020 and the Bangkok Metropolitan Administration has issued an announcement on temporary closure of educational institutions and other venues until April 30, 2020 (issue 4), dated March 27, 2020,

King Mongkut's Institute of Technology Ladkrabang extends the closure until April 30, 2020. All instructors are required to conduct their classes online until the end of the semester and all staff members are required to work remotely. In cases considered very important for some staff members to come onsite to work, a permission to do so must be given by the division head, or the head of the Office of Institute's Council, or the office director.

This announcement shall be effective from now until a further change.

Announced on March 28, 2020.
